

Christmas Present for St Catherine's Hospice

Representatives from the 5 Lodges in Scarborough went along to St Catherines Hospice to hand over a cheque from The Freemasons Grand Charity for £3324. This is part of Grand Charities annual distribution to hospices of over £1m.

David Marshall, who is Director of Funding at the Hospice said “ It was a pleasure to meet all the Masters and to receive the tremendous amount which can directly benefit our patients. I appreciate the huge amount of effort and hard work that goes on across Scarborough at different lodges and contributes to the national total. Please accept our grateful thanks for your generous donation”
