

DAREDEVIL PENSIONER

Bro Bill Fothergill of the Old Guisborian Lodge No 7793 completed a death defying 10,000ft parachute jump on his 80th birthday to raise money for a Breast Cancer Charity. Bill's 'Highjump' raised £2,240 and shows you are never too old to take extraordinary steps to help those in need. Members of the local lodges in his area contributed by sponsoring Bill, being delighted, as Freemasons, to have the opportunity to promote and support him and others like him, who take the time and make the effort to raise funds for Charity.
