

HELP FOR HERRIOT HOSPICE HOMECARE

On Saturday 20th January 2006, Joseph Flynn the Master of Falcon Lodge No 1416 presented a cheque for £500 to Liz Pollard Director of the Herriot Hospice Homecare, on behalf of The Freemasons' Grand Charity.

Herriot Hospice Homecare is based in Northallerton and provides care for the wider community of Northallerton, Thirsk and Bedale.

The Falcon Lodge has regularly supported and continues to support the local community. Funds to provide window blinds for the scout hut in Masonic Lane, a foetal heart monitor for the Lambert Health Centre, activity toys to promote balance and coordination of students at the Mowbray Special School in Bedale, assisting with the purchase of fittings for disabled access to the Thirsk Community Mini Bus are just some of the many examples.

The presentation to Herriot Hospice Homecare was attended by representatives of community organisations, the Friends of Connaught Court, the Master of Beresford Pierse Lodge, members of the Provincial Grand Charity Committee and brethren of Falcon Lodge.
