

LODGE OF ST GERMAIN PLAYS ITS PART

During December, the Lodge helped locally by presenting cheques to three organisations. A total of £630 was presented to Selby Hospital, Riccall Primary School and the Riccall Scout Group by the Master of the Lodge Frank Potter.

The money had been raised through a number of social events, including a Family Christmas Lunch and a sponsored walk by the intrepid David Bryan, John Endley, Andy Squires and Frank Potter around and up Whernside which is Yorkshire's highest peak. We suspect these brethren are normally quite active and were not just walking off the Christmas Lunch!
