

## **Presentation of I.T. Equipment**

Caroline`s Rainbow Foundation received the gift of a Laptop Computer and a Projector to enable PowerPoint Presentations to be given by the charity to promote it`s good works for Gap-Year Students. The equipment was handed over to the founder of Caroline`s Rainbow Foundation, Marjorie Marks-Stuttle, by the Master of the Mitre Lodge of York, John Skeldon on behalf of the Freemasons of the Province of Yorkshire North & East Ridings.

Mrs Marks-Stuttle intends to give talks & presentations to student groups highlighting the aim of the charity, which is "to raise the awareness of the importance of personal safety for backpackers and young travellers"

"This will enable our presentations to be given in a more professional manner " said Mrs Marks-Stuttle on receiving the equipment

John Skeldon remarked that "I am pleased to have the pleasure of handing over this computer and projector of behalf of our Provincial Grand Charity which deemed that Caroline`s Rainbow Foundation was a very worthwhile Charity for the Freemasons of our Province to support"
