

### Surprises in store at Hazelgrove

With a large Provincial team there was a capacity attendance, when the Provincial Grand Master paid a visit to Hazelgrove Lodge, in his home town of Saltburn by the Sea, to recognise the achievement of 50 years membership of the Craft by a long standing friend WBro Colin Reynolds, the Lodge Secretary.

The Provincial Grand Master was able to surprise everyone when he announced the immediate promotion of WBro Reynolds to Past Provincial Junior Grand Warden.

He then conjured up an appropriate apron, collar and jewel and invested Bro Reynolds to complete the surprise.

The dining room was full to capacity and to mark the approach of Christmas there was some “boisterous” carol singing which included the Worshipful Master and the Provincial Grand Master harmonizing for the ‘Partridge in the Pear tree’ in a spirited rendition of “The 12 days of Christmas”
