

Myton Lodge No 9808

Saturday 19th November 2005 saw our second Lodge Consecration in little over a month, when the Myton Lodge No 9808 was constituted in Hull to cater for brethren wishing to attend a daylight Lodge.

The ceremony before a packed masonic hall was followed by an excellent lunch, during which a total of £1,000 was donated to Festival 2006 by only 100 brethren. Yet another very special occasion.
